

Field Day 2019

It's that time once again! Spring is here and with it comes Field Day for the faculty and students of Holy Name of Mary. Our annual day of fun and games will be held on Thursday, May 9th, with a rain date of Friday, May 10th.

As some of you know it takes many volunteers to have a successful day. If you have worked with us before you know what a fun day this is for everyone. If you have never joined us, please do! You need not be athletically inclined- the children take care of the hard part. Volunteers are supplied with all the information they need to lead a team or run a game. The games are simple and fun- the kids run an obstacle course, play with a parachute, pull a rope for tug-of-war, just to name a few.

I will try to accommodate requests for particular assignments but cannot promise you will get what you request so I ask that you be flexible. Mr. Patti, our gym teacher, will assign team leaders.

Volunteers need to be available at the field from 8:00am to approximately 1:30pm. For the safety of the students no one is allowed entry to the field if they have not been assigned to a team, game or kitchen staff. If you need more information about Field Day please email me and I will try to answer any questions you may have.

PLEASE CONSIDER VOLUNTEERING!! The children will thank you for it!!
